PRIDAY, March 30, 1906.

The Court of Appeals adjourne sterday for the January term. The coal miners have agreed to

strike April the first. A more appropriate day sould not have been

licking but one month of being too Penra old.

Judge W. G. Blair, of Morgan county, has announced himself as a Republican candidate for the conional nomination from the Tentl.

The Brooklyn Public Libraries have assed a rule to withhold Mark Twain's "Huckleberry Finn" and Tom Sawyer," from children under the age of discretion.

At the time of going to press the indications are that a great strike of coal miners will be ordered for april 2nd, It will not affect West digital and liverness and will make less boom in these fields

The mandate of the Supreme Cours of the United States in the case of ames R. Howard vs. the Compronweekle," was offered in the Court of Appeals by the Attorney General and was held up until yesterday. Howard will be transferred from the jail to the penitentiary to take up his life tence for the Goebel murder.

la an interview for the Washington Post James N. Kehoe predicts that Senator McCreary will be reelected and says: "Sensior Me Creary has occupied all of the leading positions of honor to the gift of received an application trum a man the Democracy of his State and has abee had served ten years in the pen of \$125,000, and have purchased the were prepared for emergencies his Crank were at labour He Friday and rendered most satisfactory service. itentiary, and one from the mother property and assets of the Merchants Always a safe and judicious leader of eleven children. with an unblemished reputation, be mands unlimited confidence ci Kentnekians."

Probably fewer bills were met with the veto ax at this session of the General Assembly than for many years. Those vetced were not of general interest to the people of the State, affecting only localities, and this record bears out the assertion of the Governor, made several weeks ago, at the Paynter banquet, that the present Assembly is one of the best legislative bodies which have sat at the Capitol for a decade.

Gov. Beckham Saturday afternoon completed consideration of legislative measures laid before him upon the sine die adjournment of the regular on of the General Assembly nine days ago. Of the 155 bills adopted the Executive gave approval and his going unto the tobacco raising. eignature to 140; three were retoed. laws at midnight Saturday without approval, as is provided in the Conatitution. Strictly considered, the ten days allowed the Chief Executive to consider bills left upon his deel upon day of adjournment, do not expire until tomorrow at midnight.

senator M. G. Watson is home from Prankfort, the Legislature having adjourned without delay, and is ready This paper advocated hi election last fall on the ecore of his entire fitness for the honorable place to which he assired, and if a similar election were to be held tomorrow it would susport him with renewed vigor and delight. Senator Patson won the respect and esteem of his colleagues and made for him self a name and reputation greatly to be envied. He served with could to himself and honor to his district and his State.

So we have the old saving, "no grass. no cattle, no cattle no manare no manure, no crops."

It was in the year 1884, and Gen. . Danforth, will well to the fore, was then living at "Hayfield," one of the most beautiful homes in the vicinity of Louisville, and at one time recupied by the famous botanist, Jr. Short. This shows something of what was being done to keep to lead at that date:

"Lenlie Combs, of Lexington, bas rold his choice flock of imported Southdown sheep to George L. Dan forth. Thuse sheep are superio individually as well as in breeling The proof of this is found in the result obtained by them, at the fairs in the United States. Seven of these show are from the flock of the Prince of Wales, and five of them are of Lord Walsinghom's breed ng

We know a farm of twelve acres only. It is a decided success, largely because there is in all operations spirit of mutual helpfulniss We think of this as a bome where
